

# CartonMate® Mill Wax Bleached Board

Reliability. It's that simple.®

## Qualities:

- Bright finish with double clay-coating for high-fidelity printing
- Consistent roll-to-roll quality
- Added wax application on the back side for liquid hold-out
- FDA-compliant for contact with most dry, fatty and aqueous foods

## Environmental attributes of RockTenn Bleached Board:

- SFI® Certified Participant
- Produced relying heavily on carbon-neutral biomass fuels as an energy source and ECF manufacturing techniques
- Bleached Board is recyclable\* and derived from trees – a growing and renewable resource

\*Packaging may not be recyclable in your area.
